Year
11

Learning Cycle 1

Coursework Catch-up

Stimulus Material: Year 10 artists and project themes

Outcomes: Refined coursework covering all four assessment objectives and personal outcomes developed in response to project themes in each subject.

Mock Exam: Past, Present and/or Future

Art Stimulus Material: Responses to Damien Hirst, Grayson Perry and Conrad Shawcross through practical experiments developed further through students' individual ideas in relation to the project theme.

Graphics Stimulus Material: Responses to three designers from, Paula Scher, Barbara Kruger, Steven Bonner, Matt Wisniewski, Neville Brody, David Bushell, Jakob Kolding, Yantree and Tim Marris through practical experiments developed further through students' individual ideas in relation to the theme of the future.

Textiles Stimulus Material: Responses to David Hopher, Alice Fox, Rosie James, Shelly Goldsmith and Susan Stockwell through practical experiments developed further through students' individual ideas in relation to the project theme.

Photography Stimulus Material: Responses to Andrea Constantini, Shelly Goldsmith and Peter Lipmann through practical experiments developed further through students' individual ideas in relation to the project theme and additional photographers; Amy Friend, Anna Kulachek, Christian Boltanski, Cindy Sherman, Greg Sand, Lisa Kokin, Maia Flore, Matt Wisniewski, Sam-Taylor Wood, Sophie Calle, Taylor Jones, Irina Werning and Andrea Tese.

Outcomes: Personal outcomes developed in response to project themes in each subject.

Learning Cycle 2

Coursework Catch-up

Stimulus Material: Previous project themes and artists/designers

Outcomes: Refined coursework covering all four assessment objectives and personal outcomes developed in response to project themes in each subject.

Final Exam: Beginning and/or End

Stimulus Material: Developed by individual subject teachers and delivered to students in February.

Outcomes: Personal outcomes developed in response to project themes in each subject.

Learning Cycle 3

Final Exam: Beginning and/or End

Stimulus Material: Developed by individual subject teachers and delivered to students in February.

Outcomes: Personal outcomes developed in response to project themes in each subject.

Coursework Catch-up

Stimulus Material: Previous project themes and artists/designers

Outcomes: Refined coursework covering all four assessment objectives and personal outcomes developed in response to project themes in each subject.
