Dear Year 7 Parents/Careers

We hope this email finds you all safe and well. Our first half of term has flown by and we would like to invite you to meet your son/daughter's Tutor for a short virtual meeting which will take place at some point in the week beginning Monday 19th October through to Thursday 22nd October.

Each Tutor will have appointments available that you will be able to book from Thursday 15th October (we will send a text reminder when we release the appointments). Bookings close on Sunday 18th October at 7.00pm. After midday on Thursday 15th October, please visit <https://thenorwoodschool.schoolcloud.co.uk> to book your appointment. Login with the following information as held on our system:

Your Details:

Title First Name Surname Email

Student's Details:

First Name Surname Date of Birth

We will be explaining to Year 7 how the system works in Tutor time next week and parents can find all the guidance on our website under the Parents Tab – School Cloud. There is a document for parents about how to attend a video parent evening appointment and there is also a troubleshooting document that we would highly recommend you read prior to the appointment. Each appointment will be scheduled for 5 minutes. The meeting will be a chance for your son/daughter to let you know how well they have been settling in. We will be in touch again soon, towards the end of the week, to let you know when the appointments go live so that you can book your meeting.

Please email your child's Form Tutor or Head of Year/Deputy Head of Year in the first instance if you have any questions.
