Head teacher: Denise Webster NPQH

10<sup>th</sup> November 2020

Dear Parents and Carers,

As a consequence of a number of staff in the Performing Arts faculty being absent from school, we will be teaching **SOME** Year 9 students who have Performing Arts lessons as part of their specialism day via remote learning.

**Visual Arts Lessons will not be affected and will run as planned in school.**

*We have emailed those students affected directly and have spoken to the whole of the year group in tutor time this morning. If you have **not** received a letter asking your child stay at home tomorrow **then we will be expecting them to attend school as normal.***

If your son/daughter has Performing Arts tomorrow, they will **not attend school on Wednesday 11th November**. Instead, their lessons will be delivered online. These lessons will take place via Google Teams. Please see clear instructions from Mr Crisp, Head of Performing arts, who has explained exactly how to access the work – these have all been posted on the letters page of the **parents tab** on the school website.

Performing Arts Lessons for those working remotely will run at the same time as if at school. Timings are as follows:

Session 1: 9.00-10.40  
Session 2: 11.00-12.40  
Session 3: 1.10-2.50

This arrangement is for this week only. We will be in contact should we need to repeat this approach next week.

Thank you for your understanding and cooperation during these challenging times,

Regards,

Jessica Nicholas  
Senior Deputy Headteacher
