

Year 7 Home Learning Timetable

Please use this home learning timetable to manage your time effectively out of school. You should aim to complete 30 minutes of study per subject, per week using your Independent Learning Booklet. The sort of things you will need to do independently are:

Revise **CONTENT** (for example by self-testing, mind maps, creating flashcards, using online tools, e.g. Quizlet);

Develop **SKILLS** (through PRACTICE, e.g. completing exam-style questions, translating, extended writing);

Provide **FEEDBACK** on your learning (e.g. marking your work with a mark scheme, comparing your work to a model answer, completing a personalised learning checklist).
