Yr 7	Not expected in school in school	Arrive for testing 1:30 pm then home	Normal timetabled lessons Arrive at 8:30am

***If your child's lateral flow test is negative, then they will be able to continue to come to school as normal.***

Anyone who is symptomatic with COVID symptoms should not attend school for testing and should arrange a PCR test.

If your child tests positive on a lateral flow we will inform you. In accordance with the most recent government guidance, they will need to book a PCR test. If the result

comes back negative, then they can return to school. If it is positive, they will be instructed to isolate themselves for 10 days. Those who have been in close contact will be encouraged to take PCR tests.
