**WHAT'S
YOUR
STORY?**

Have a creative passion? Interested in creative writing, photography, or art? Want to do something more interesting and productive than listen to your gran's rambling tale about Doris, the next door neighbour? (*You know the one. Has a limp. Had a granddaughter in school a few years younger than you. Likes cats. Like, REALLY likes them...*)

Then pop along to F45 after school on Wednesdays at 3pm-3:40pm and join the English Department's Creativity Club with Mr Murphy!

Whether you like stories, artwork, music, poetry or drama, this is for you. Beginners and experts are all welcome!
