Description

Expert advice on breaking into medicine, dentistry, and veterinary science.

Feb 9th 7 - 8pm

There are plenty of benefits to a career in the medical sciences including job satisfaction, job stability, earning potential and plenty of opportunity for growth. In this event, we'll hear from leading experts in medicine, dentistry, and veterinary science to explore the ways you can help your child on their journey into medical sciences. Highlights will include:

- The key skills required to pursue a career in the medical sciences, including ways to build, develop, and present these skills to universities and employers.
- The variety of roles available in the healthcare industry and how to get there.
- A breakdown of the application process and some top tips to help your child stand out from the crowd.

Success Beyond School: Breaking into Business

Description

Inspiring Entrepreneurship in Our Young Women

March 9th 7 - 8pm

To celebrate International Women's Day, we are breaking down barriers and busting common misconceptions about women in business and finance. We'll be sharing some top takeaways to help nurture your child's entrepreneurial spirit and provide them with the tools they need to be a successful businesswoman. In this event, we'll hear from professionals who are driving change in a typically male-dominated industry.

Highlights include:

- The key skills required to pursue a career in business, entrepreneurship, and finance, including ways to build, develop, and present these skills to universities and employers.
- The importance of diversity in the workplace and how different perspectives are changing the industry.

- Top tips for your child to find their inner professional at an early age
