

Who wants to go
to university?

Tutoring

Mentoring

How tutoring works...

- 1 hour of tutoring a week
- Takes place after school
- A time that suits you
- You will access your tutorial through our online platform

English	Spanish
Maths	French
Physics	Geography
Chemistry	History
Biology	Economics (A Level only)
Politics (A Level only)	Psychology (A Level only)

Subjects you can be
tutored in ...

How mentoring works...

1:1 sessions with your University Access Officer - works specifically with you and your plans for the future!

- In school
- Tailored support and advice
- Help with revision and university planning
- Support with your Sixth Form / College Application
- Trips to top universities

Workshops

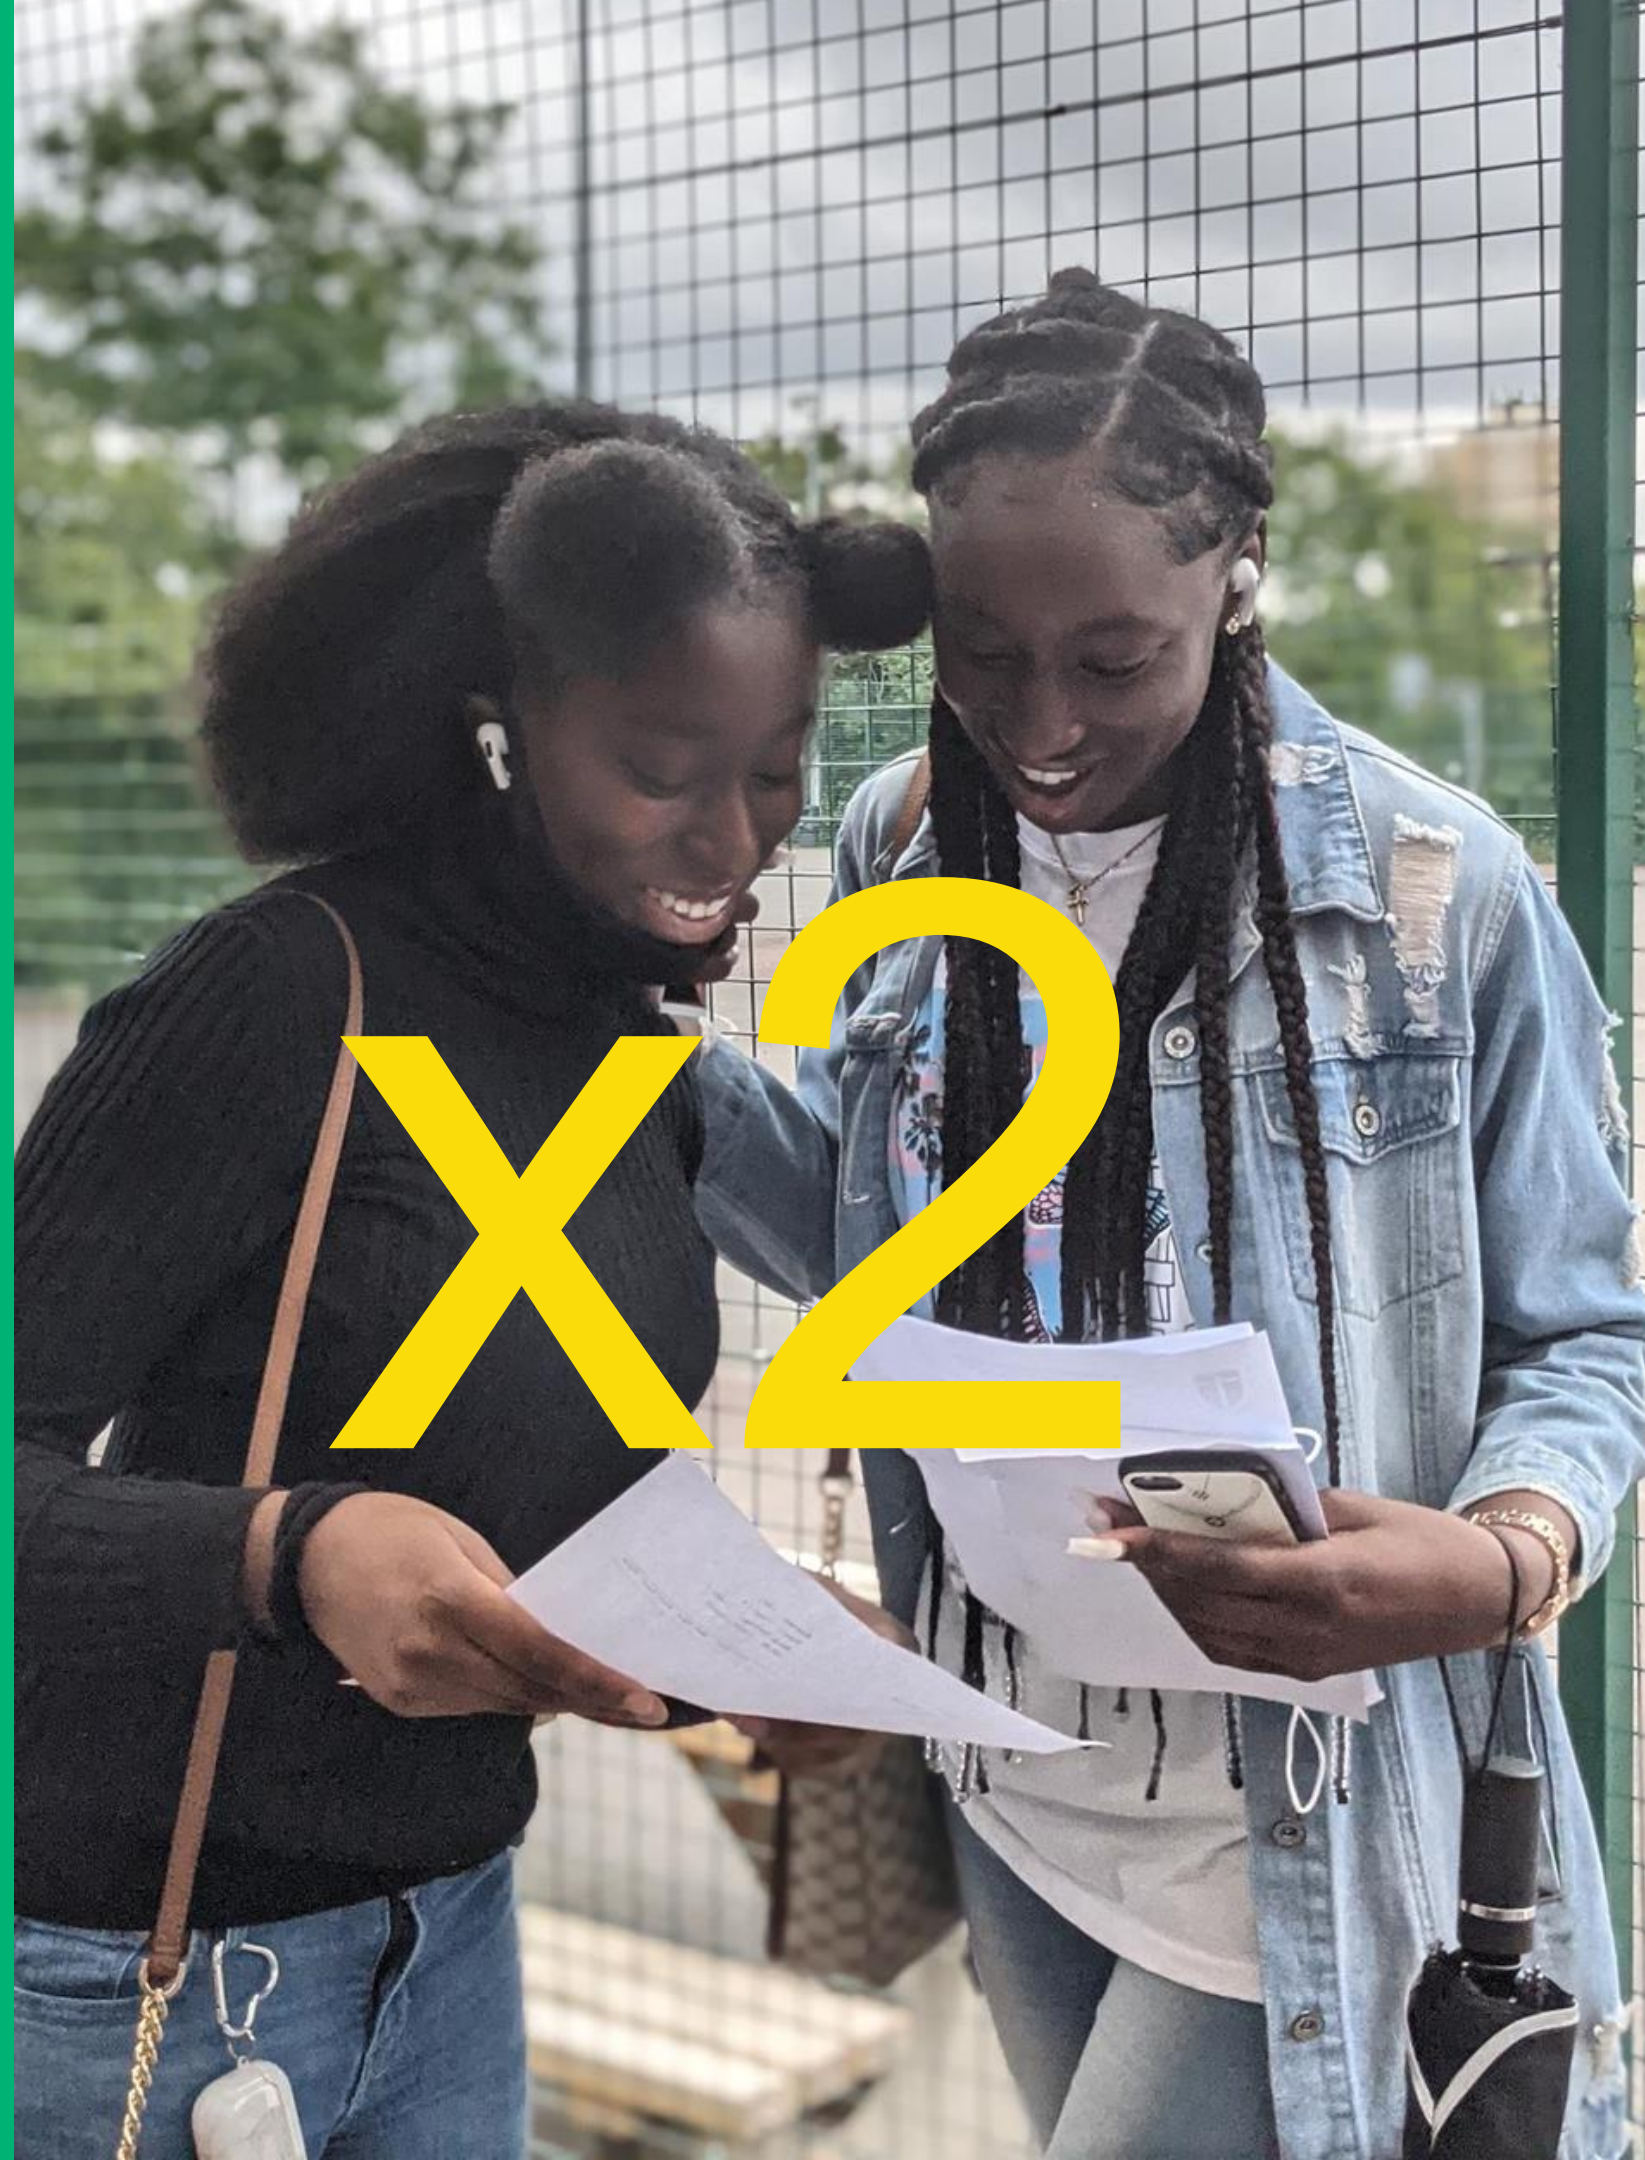

- Group sessions led by your University Access Officer

There is no typical Access Project student!

<https://www.youtube.com/watch?v=22EOGVJHAO8>

An Access Project student
is twice as likely to go to a
top university than another
student with the same
academic track record and
background

An Access Project student:

- is committed
- turns up to every tutoring and mentoring session
- is actively engaged in their own progress

Next steps

- Fill in the application form
- Interview
- Attend a coaching session for successful students

Complete your online
application

Speak to your University Access Officer if you have any questions
