Dear Parents and Carers

I would like to share with you a number of useful resources and guidance as we approach the summer holidays. Alongside this advice I am pleased to advertise activities and support that Lambeth are providing over the summer holiday.

Just google search your local borough & "summer activities".

During this hot spell and in the summer sadly there are a number of incidents of drowning and accidents in and around our waterways. The recent hot weather has encouraged young people to cool off in water. Teenagers especially are drawn in by peers and a keenness for risky behaviours. Please take a moment to discuss [safety at the beach](#) and around [canals/rivers](#) with your child/children (from the RLSS and Canals & River Trust).

Further guidance around sun safety - (Staying safe in the sun - tips from Teenage Cancer Trust).

The school will be closed from Thursday 21st July to 1st September (except for results days; A-Level/Btec - 18th August & GCSE/6th Form enrolment - 25th August). If your child faces an emergency safeguarding concern please contact the Police. If you do have any specific safeguarding concerns/issues please contact Childprotection@thenorwoodschool.org. Guidance and support can also be found online using Childline.

I wish all of you a happy and safe summer holiday.

Regards,

Jeremy Cox

Deputy Headteacher - Safeguarding Lead
