# THE OLIVE MENU

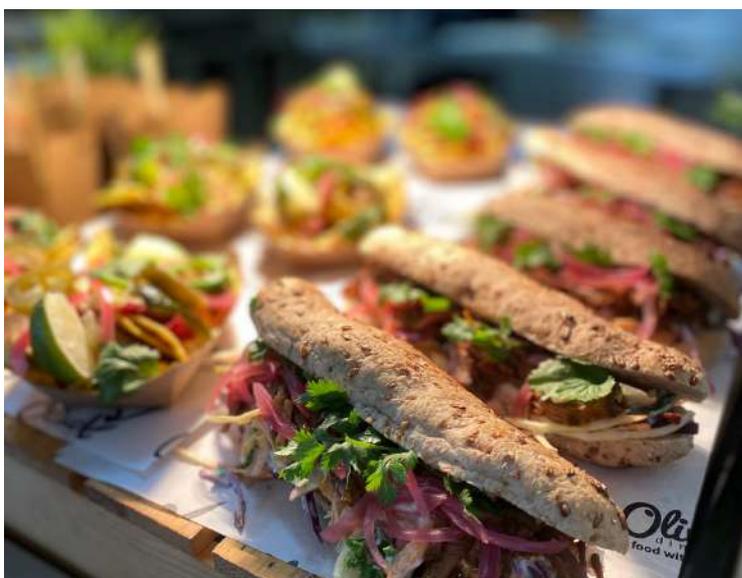

We have a fantastic choice of hot menus available for our students which run in 3-weekly cycles.

Each menu has been especially created and offers exciting and varied dishes, packed full of flavour and nutrition.

We also have a cold deli bar with a number of delicious salads available to choose from and baguettes, bagels, sandwiches or wraps with different fillings.

We also have morning break and meal deals for our secondary school students, offering excellent value for money.

At Olive Dining we always strive to offer good value for money and have done a lot behind the scenes to keep costs down in the current climate.
