Dear Parents/ Carers

Our journey is moving into its last stages and there are a number of initiatives that will be put in place to help and support our Year 11s. Please see below the plan for after school extended studies starting from Monday 9th. You will notice that most subject areas are offering this support. Since teachers are giving this support, it is therefore compulsory for all pupils to attend these when they are on. If there are emergencies or appointments, please send a signed note. On days when there are numerous subjects, like Wednesdays for example, it is likely that there will be two sessions running. Session 1 runs from 3:15 to 4pm . Session 2 runs from 4PM to 4:45pm

All pupils will need to be off school site by 5pm

There are some sessions taking place during the lunch slot. This is indicated on the table below. There is one session running in the morning.

Lastly, please be reminded to book our time slot for Parents evening Thursday 12th January starting at 4:30pm. Parent cloud is now open.

Thank you for your support
