

Dear Yr 9 Parents and Carers,

Welcome to this year's Pathways Programme for Year 9.

This is a particularly exciting and important time for your child, it will be the first time that they will be starting to make independent decisions about their future.

Over the course of the next few weeks we will be focussing on Careers and choices. This newsletter highlights just a few of the many helpful resources that there are out there, to help guide you when having conversations with your child about their interests and aspirations. We will be using most tutor time and assemblies to explain the pathways process to the students, with Heads of Faculty speaking about their GCSE offer, visiting speakers, workshops and one to one/group Careers Interviews with our Independent Careers Adviser Alix Boyle.

All the information that you and your child will need will be uploaded onto [the website here for your reference](#).

We look forward to meeting you all again at the **Parents Evening on February 23rd** and receiving the students Pathway choices by **Friday 10th March**. We will be hosting a workshop in the study hub for parents nearer the deadline, on **1st March 6pm - 7pm** if you would value support completing the application form.

Jessie Nicholas

Senior Deputy Head Teacher

InvestIN is a UK-based organisation that provides students aged 12-18 with an immersive experience of their dream career.
