Have you booked your tickets for the FON Quiz Night? [Info here](#)

Dear Parents, Guardians, Carers, Staff & Governors

We hope you had a restful and enjoyable half term holiday. This second half of the autumn term is always a long and busy one which certainly challenges the stamina of staff and students. The list of November's events is on the next page.

Our Yr 11s have begun their first set of mock exams. This is excellent preparation for their GCSEs next year as it allows them to experience exams in a formal setting for the first time. We wish them well - as we do our Yr 13s who will be sitting their mocks in a few weeks' time.

The darker mornings and evenings present their own challenges so please reiterate to your child the need to act in a safe and sensible manner and to go home straight after school unless they are involved in a school activity.

We are seeking a parent governor to join our governing body. If you think this may be of interest you can find out more here [info here](#). The deadline for interest is Friday 3rd Nov

Best wishes

Niki Clemenger & Richard Cole
Co-Headteachers

Year 6 Bursary Workshops before half term

Lambeth Cross Country Championships

Highlights of the Week

Before half term, our Cross Country Team competed in the Lambeth Championships at Brockwell Park. We had seven top 10 finishes in the four races we competed in! Well done to Kenzo J. (6th), Sam W. (8th) Chloe S. (9th) and Lilly B. (10th) who ran in the U13 races. There were also great performances in the U15 races with Rupert C. finishing 6th and Felix L. placing 5th. Our star of the day was Otto B. who won the bronze medal in the U15 boys category in what was a very competitive field. Otto's proud mum let his PE teachers know 'that following an application made in the summer he has been awarded Bronze in the Active Lambeth Athlete Programme. This means that he has a year's free access to the borough's sports centres and some funding to help with training and competition costs.' Inspiring achievement Otto, well done!

We welcomed scores of families to our Sixth Form Open Evening. We received so much positive feedback from our visitors and how impressed they were with how staff representing their faculties. It was particularly nice to see the number of external families that came to see us.

Ms Robjant arranged for Accelerate Studios to come and visit our Y10 3D Design students. The students took part in a workshop on the built environment and learned some valuable things about careers in architecture, engineering and construction, as well as taking part in a practical windmill prototyping activity.

The music showcase with students from all year groups demonstrating their musical prowess in front of a packed audience was such a treat. Some fantastic performances and a great atmosphere, topped off by a memorable garage medley from our Yr 13 band.

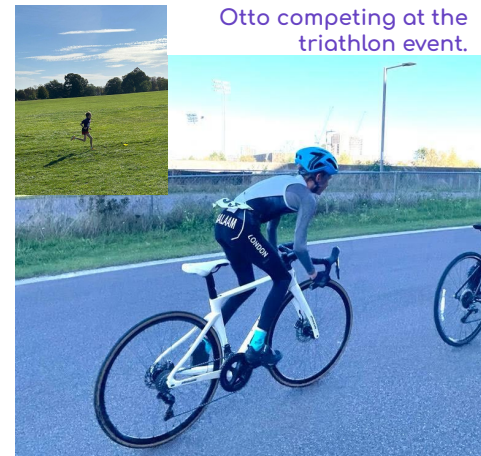

Important Dates

- Yr 11 Mock exams this week and next
- Wed 8th Nov FON Quiz Night
- Sixth Form Assess Weeks start 13th Nov
- Thurs 9th Nov Monologue Slam 7pm
- Thurs 23rd Nov Dance Exam Showcase 7:30pm
