

Well done
FON- over
£400 raised
for MacMillan
Cancer Care.

Dear Parents, Guardians, Carers, Staff & Governors

We were overwhelmed by the number of families who visited us on Thursday for our open evening. It was lovely to see so many visitors and hear their positive feedback on the school. So much so, we have added an additional open morning to cater for the number of people who want to visit. Our ambassadors - students who tour the school with visitors - have been a real credit to us. We are fully back in the swing of things now and with autumn upon us we would like to reiterate some of our expectations around uniform. Students should arrive at school wearing their blazers and a tie. If trainers are being worn they should be plain black with no coloured markings. Please help your child to get it right and thank you to the vast majority of our students who look very smart every day and wear our uniform with pride.

Best wishes
Niki Clemenger & Richard Cole
Co-Headteachers

Open Evening last week - Year 7s were proud to talk about transition to parents in the theatre and everyone pulled together to show the strengths of our school.

Highlights of the Week

A big, big thank you for last week's busy and successful Open Evening. We heard nothing but good things from the families touring the school and staff and pupils made us very proud!

Our new Steel Pans teacher, Chris Storey, was in school and began practice with Year 7. We are really excited about having a number of steel pan bands and look forward to hearing more from them in the future! It has been a long time since we have had the sound of Steel Pans in the Music Dept and we have missed it.

It is always a pleasure to have great feedback from parents of new Year 7s;

Dear Mrs Nicholas

Where can I start, I am really amazed with how much my child has changed and got stuck in. She's on girls football team, vocals, doing dance on Friday and even put herself up for house captain she said and on top of that she is excited about Thursday for helping out. If you new her 3 years ago, you wouldn't believe it's the same her. And from my point of view I am amazed on how much you have helped with that. So thank you from my heart.

*Kind regards
Yr 7 parent*

Tricky stuff... Mr Bui-Lee's Year 12 Maths class was in quiet concentration when we arrived. When we looked at the board we understood why! On Wednesday we had a look at Year 7 and 8 in their Maths lessons with Mr Brown, Ms Mendez and Ms Lestrade Thomas looking at methods for multiplication with the little ones.

Important Dates

- Black History Month throughout October
- 12th October Yr 7 Meet the Tutor Eve 5 - 7pm
- 19th October Sixth Form Open Evening 4:30 - 7pm
