## Dear Parents, Guardians, Carers, Staff & Governors

Many people think the final half term is quieter in schools - it is just not true! We continue to manage the final public exams for Years 11 and 13 whilst also undertaking final assessments for Years 7-10 and 12 over the next weeks. A big thank you goes to Mr Galea who communicated to parents about the content of upcoming assessments and what to expect for each year group and each subject. We hope you found it useful.

We also have lots happening in terms of celebration events, performances, end of year shows and trips and visits which we hope large numbers of the school will be able to be involved in. As an example, look out for Norwood at the Lambeth Country Show this weekend! Recent visitors to the school have commented on the vast array of things students get to be involved in and be 'joyful' about. We agree that school is not just about study but also about experiences and it is these moments that will become cherished memories for our children. This newsletter often showcases those moments - the extras that our staff constantly provide to enrich the school and life experiences of our students. We salute our staff for going the extra mile.

Best wishes

**SATURDAY 10 & SUNDAY 11 JUNE 1PM TO 9PM**

The U15 girls football team have made the final of the Lambeth League after a 6-0 win in the semi final against Trinity. Our year 9 boys played Platanos in the semi final in a very entertaining match. 4-4 after full time with Devonte scoring all 4 goals grabbing the equalizer with 10 seconds to go. Norwood won on penalties. Amazing!

## Highlights of the Week

Huge thank you to Mr Wolstenholme, Mr Swan and Ms Darnell Smith for organising and running the first DofE field trip of the year. Whilst the weather wasn't great the students had a wonderful time and were impeccably behaved.

Susheel came to visit Y9 Graphics and Art students during Specialism Day to talk about his graphic and illustration projects and industry experiences. Susheel spoke to the students about consultancy and in-house design positions as well as his qualifications and experiences at College, University and internship. He reiterated the importance of the research stage within a project, keeping a sketchbook and visiting galleries and what it takes to become a successful designer. *Thank you Mr Gappy for the contact.*

This weekend is the Lambeth Country Show in Brockwell Park and we are lucky to have loads of our students performing! Details are [here](#) - we have performers on the Village Green stage and at the Arts and Culture performance space, all at around 1.15pm Sunday 9th June, there might even be some staff performing. Entry is free and it's a great day out so please come along and support if you are able.

MFL staff and tutors have been busy advertising next year's Barcelona trip. Letters of interest need to be back in school by Friday please.

Battle of the Bands really finished off the last half term with a bang! Fabulous audience and amazing performances - well done everyone! Watch out for info in next weeks MFL lessons, tutor time and newsletter about next years Ski trip.

## Message from Coach Lucio for younger siblings keen on sport.

I am thrilled to announce the launch of the London City Ballers Basketball Club for children aged **5 to 11**. This is an incredible opportunity for our primary school feeders and the local community. The sessions will be held after school and on Saturdays at Norwood School, with specific days, times, and starting date to be confirmed soon.

I urge those interested in enrolling their child to [register](#) in advance. Please stay updated by following [London City Ballers](#) on Instagram and share this exciting opportunity with anyone who might be interested.

Thank you for your support,

Coach Lucio
