

Yr 11 families- don't forget to pass us any unwanted uniform items, especially blazers, once your children have finished public exams.

## Dear Parents, Guardians, Carers, Staff & Governors

.....  
We find ourselves almost at mid June! After the Year 11 leavers assembly last week, we look forward to seeing them again at Prom once all of the exams are done - only a few more exams to go! Assessments take place this week 10 and Year 12 - good luck to them.

A big thank you to all the students and staff who attended the Lambeth Country show to support our students who were performing in Dance and the Steel pans bands. In particular we thank the Performing Arts team who made the performances happen - as always people were impressed by the quality of the performances.

In sporting news our yr 9 boys team play in the final of the Lambeth cup this week against Elms Academy and our U15 girls team have also reached the final. Good luck to both teams and well done on getting this far!

Best wishes

**Niki Clemenger & Richard Cole**  
Co-Headteachers

Letters of interest for next year's Ski Trip are out this week - check your emails!

Yr 6 Induction Interviews

Year 8 at the Wallace Collection - thank you to Ms Ansell for organising.

## Highlights of the Week

Ms Nicholas and Ms Jackson went along to Hampton Court to see alumni Ibtisam's Degree Show Private view, she has recently graduated from the prestigious Royal School of Needlework, the only specialised degree course of its kind in Europe. Ibtisam is our second Norwood student to graduate in recent years, following on from Tomas last year, with a third, Sarah Bouchene, hoping to start her degree there in Sept. Her exquisite final collection of beautifully hand embroidered shoes and bags were inspired by her Moroccan Heritage. She has undertaken internships with Alexander McQueen amongst others and was privileged to work on Coronation Regalia from Robes of Estate and a Coronation Mantle to thrones, canopies and an altar cloth last year. Well done Ibtisam - we couldn't be prouder of you!

Israel Campbell

Ms Ansell took a group of year 8 to the Speakers Trust event at the Wallace Collection where they were taken to view different paintings and talk about the stories that they tell. She then organised a follow up workshop in school where they created speeches based on what they saw and how they made them feel. The facilitator described their speeches as the best she'd seen in Lambeth!

This week it was lovely to see so many new families at the year 7 interviews. We know that it is always a positive event for parents who get lots of information about the school and expectations, and it really helps to ease the nerves of their child. Thank you to staff who gave their time to help out.

Congratulations to Y8's Israel Campbell who was nominated as a top performer by the PA department! Mr Murphy acquired tickets from an external sponsor for tickets to Bromley Theatre's production of Chitty Chitty Bang Bang which Israel will be taking his mum to. A well-deserved reward for a hard-working student.

Year 11's Signing T Shirts

After the English exam on Thursday, we had Year 11 come together for their final leavers assembly, complete with speeches, video, T shirts and shirt signing. A huge thank you to Pastoral staff for their work in getting Year 11 to this stage - in particular Ms Galdames and Mr Appiah.

## Important Dates

- **WB 17th June** Refugee Week Film Sharing 7pm Friday 21st
- **Thursday 20th June** So You Think You Can Dance 7pm
