Notes

Subjects in several columns must be taken in all.

Sport as a single should be taken in block B.

You must choose subjects equal to at least 3 full qualifications. Acting, Business, ICT and Dance are equal to 2 full qualifications and Sport is equivalent to 3 full qualifications. You do not need a subject in every block. Taking Maths or English GCSE retake means being unable to pick subjects in Block C until Maths or English is passed. If both need retaking, Maths will be prioritised.
