

To whom it may concern,

As a school, we are fully committed to ensuring that all students at The Norwood School receive an outstanding careers curriculum. Our original application for Investors in Careers provided an excellent framework for guidance and enabled us to celebrate the strengths of our provision.

We are now seeking re-accreditation and are committed to using the 'Quality in Careers Standard' as an effective tool to support the review and continued development of our provision. The Standard is fully aligned with the Gatsby Benchmarks for "Good Career Guidance" and complies with DfE statutory guidance.

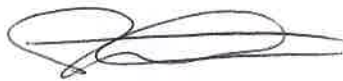

Anika Patel, Assistant Headteacher, holds overall responsibility for Careers Education, Information, Advice and Guidance (CEIAG) and is leading on the renewal application for our status.

Thank you for your support in this matter.

Yours faithfully,
