

10th May 2019

Dear Parent/Guardian

CPD course for TES Global: Employability : Thursday 23rd May 2019

Our school has been selected as an exemplar school for teaching by TES Global (formerly the Times Educational Supplement). The TES is working with a handful of schools in the UK to prepare online training material to help other schools improve their teaching practice.

As part of this, filming will be taking place at our school and may include images of pupils in corridors, in the playground or elsewhere on the school premises. If you do not wish your child to be filmed, please let me know in writing by Friday 17th May and I will ensure that your child does not take part in the school activities being filmed. If I do not hear from you in writing by that date, I will take it that you give permission for your child to be included in the filming and such filming to be included within the video.

The finished videos will only be shown to teachers undergoing private, online training. Images from the filming maybe used for other educational purposes and related publicity, but not for any other purpose.

If you have any queries or other concerns relating to any of the above, please feel free to contact me or email me on post@thenorwoodschool.org.

This is a new and interesting project that will benefit our school, as well as other schools, teachers and students, so I hope you can allow your child to take part.

With best wishes.

Yours sincerely,

Ms J Nicholas
Senior Deputy Headteacher
