

**ACTIVITIES FOR CHILDREN & YOUNG
PEOPLE IN LAMBETH THIS SUMMER**

SUMMER ACTIVITY PROGRAMME
JULY TO SEPTEMBER 2019

Dear reader,

Hello and a warm welcome to this year's summer's activities programme, funded and fuelled by Lambeth Council in partnership with YLC, Lambeth Youth Council and our brilliant 2019 cohort of Young Commissioners.

This summer's activities for Lambeth's children and young people promises to deliver the best in youth services, as advised by our panels of trained Young Commissioners and

we're excited to share details of what's on offer in the following pages.

In May, our 2019 cohort got together over the summer half term to evaluate and select the best provision our excellent voluntary and community providers had to offer.

They attended panels and assessed applications. The competition was really strong this year and deciding who to select and fund was a definite challenge.

The successful applicants received funding to run their summer projects, detailed here alongside an excellent and exciting range of summer youth programmes from across the borough.

We want to take this opportunity to wish you the very best of summers!

From all the team at YLC

YLC funded activities are indicated by the YLC logo.

It is finally summer! A time we have all been looking forward to, especially young people who will have the opportunity to have a change of scenery; with all the amazing summer activities that are available to take part in.

It has been an honour working for the young people and providers through YLC over the last 3 years. I have progressed from being a Young Commissioner to being a Digital Support Officer - a

role that involved ensuring that young people are aware of the activities that are available throughout the year and providers are aware of other providers to work with.

I have enjoyed working with Lambeth Families Information Service to produce this brochure that will give young people access to a wide range of exciting and fun activities. Hope you enjoy your summer holiday!

Taiwo Afolabi
Digital Support Officer
Young Lambeth Coop
and Admin at LFL

Letter from Cllr Jennifer Brathwaite

Children and young people in Lambeth can look forward to a host of exciting activities and events this summer. A packed programme includes sports, drama, dance, music, multimedia courses and more.

This year marks the final year the Young Lambeth Cooperative (YLC) will be delivering youth services on behalf of the council. I would like to thank them for their hard work in commissioning and monitoring services for young people in Lambeth over the past several years. Once again, YLC and their Young Commissioners have put together a great summer programme suitable for toddlers, school-age children and young adults.

Moving forward, Lambeth council remains committed to continue delivering youth services and activities across the borough. We view the summer programme as a crucial part of our work

to improve the life chances of children and young people in Lambeth. The aim is to keep school-age children entertained, educated and active through the long summer holidays. Parents and carers can then go off to work, or have some quiet time, knowing their children are safe.

As well as the activities commissioned for the 2019 holiday period, our Adventure Playgrounds will also continue to provide a range of activities during the summer break.

Giving children and young people the best opportunities we can at an early stage is of upmost importance. Throughout the summer children will again have access to a range of free services provided at our Children's Centres, Stay and Play One O'Clock Clubs and libraries. Pages 14 to 17 will tell you all about this year's 'Space Chase' summer reading challenge and how young people can get involved with volunteering opportunities in Lambeth libraries.

All children are individuals and our summer brochure has again focused on promoting as many universal services as possible. Ensuring children and young people with Special Educational

Needs (SEN) or a disability know about the inclusive services available to them is a priority. Look out for the SEND Local Offer logo next to individual listings throughout the brochure to identify services that may be suitable. Pages 12 and 13 feature services specifically for young people and children with SEN or disabilities.

Finally, thank you also to our voluntary sector partners for the enormous amount of hard work they put into providing activities to Lambeth's children and young people – I hope you all have great summer.

**Cllr Jennifer Brathwaite,
Deputy Leader
and Cabinet
Member for
Children and
Young People**

LAMBETH FAMILIES INFORMATION SERVICE

The Families Information Service (FIS) provides free, reliable and impartial information and assistance to parents, carers, professionals and young people about services and activities for children aged 0 to 19 years old (and 25 years if the young person has a Special Educational Need or disability).

The FIS offers information on:

- OFSTED registered childcare (childminders, nurseries, pre-school playgroups, breakfast and after school clubs)
- Children's Centres
- Free early learning for 2, 3 and 4 year olds
- Activities and services for children and young people

For information and advice about services and support for children and young people

in Lambeth and their families visit lambeth.gov.uk/fis

You can access even more activities and events this year by accessing the interactive Summer 2019 programme on our Family Information Directory via lambeth.gov.uk/summer2019

To get in touch with the FIS email fis@lambeth.gov.uk or phone 020 7926 9558. You can also follow us on Twitter at twitter.com/LambethFIS

Many of the activities and events featured throughout this guide are universal in that they are suitable for children and young people with or without a Special Educational Need (SEN) and/or a disability. These services are indicated with the SEND Local Offer logo  and we encourage you to speak to the provider about any individual needs or requirements.

OTHER ACTIVITIES	28 - 29

Children's Centres

Lambeth's network of children's centres offer a wide range of activities, help and support for young children and their families.

These include health services like:

- ante-natal and post-natal care
- baby clinics
- groups to support breastfeeding and infant feeding
- support around children's diet and nutrition.

Our speech and language therapists can support and guide you on children's early communication and language skills, and some centres provide additional specialist support for children with special educational needs and disabilities.

Centres also offer lots of stay and play groups and activities for babies, toddlers and young

children to attend with parents and carers.

There are lots of services for parents and carers too including:

- family learning courses
- parenting support groups
- ESOL classes
- support around training and employment.

You can get information about accessing benefits or dealing with housing difficulties from a skilled advisor, and the centre's Better Start worker can give you additional help and support about a wide range of topics including parenting and child development, finding childcare, and signposting to other services that may support you or your child. They will aim to provide this support as soon as you need it so that by the time your child is 5 years old they are happy, healthy and ready for school.

Some of the services are open to everyone with a child aged

0 to 4, and others are aimed at children of particular ages or particular groups. These might include dad groups, services to support young parents, or those for parents speaking English as an additional language.

Throughout the summer Children's Centres across the borough will be running a range of activities for local families. You can find more information about the individual services and activities by visiting Lambeth's Family Information Directory at www.lambeth.gov.uk/fid

For more information about Lambeth's Children's Centres visit www.lambeth.gov.uk/childrenscentres

Stay and Play One O'Clock Clubs

Lambeth's Stay and Play one o'clock clubs are based in parks across the borough and offer secure indoor and outdoor play spaces.

The one o'clock club provision is delivered by a range of different organisations, including schools, Children's Centres and voluntary sector providers. All one o'clock clubs offer at least three open access stay and play sessions per week for children under five and their parents and carers.

In addition, some one o'clock clubs offer a wider range of activities for children under

five and some clubs may have activities running outside their normal opening hours. There may be a charge for some of these additional activities.

Children with additional needs can also enjoy themselves at some Stay and Play One O'Clock Clubs where activities may be tailored to meet their needs.

Children must be accompanied at all times when attending these sessions.

You can find details for all of Lambeth's Stay and Play One O'Clock Clubs and view them on an interactive map by visiting Lambeth's Family Information Directory at www.lambeth.gov.uk/fid

Adventure Playgrounds

Children and young people can make the most of Lambeth's Adventure Playgrounds during the summer holidays, taking part in a variety of exciting indoor and outdoor activities.

Our Adventure Playgrounds are free to use, supervised by playworkers and provide access to great facilities and equipment.

Adventure Playgrounds offer safe, secure environments for young people, supervised by qualified staff, and parents/ carers are also welcome.

Children with additional needs can also enjoy themselves at Adventure Playgrounds particularly those where resources are tailored to meet their needs. For further information regarding individual activities available, please contact the provider directly.

It's finally summer! We are so lucky that we have such a huge range of summer activities to get involved in, from summer camps to sports projects to adventure playgrounds there's something for every young person with no excuses for getting bored.

As the Lambeth Youth Council we're so proud that so much effort has gone in to making sure that young people in our borough have been able to have a say on the activities that are organised and we hope that this continues for years to come.

As a youth council we have grown massively over the last

year and we have continued to tackle issues that young people care about, from sexual harassment to stop and search. If you want to get involved sign up at lambethyouthcouncil.org

Space Chase Summer Reading Challenge and Events in Libraries

Inspired by the 50th anniversary of the first moon landing this year's Summer Reading Challenge is Space Chase. Join the challenge and take part in lots of other free events and activities run by Lambeth Libraries this summer!

Taking part in the Challenge is simple – when your summer holidays start, you can sign up for free at your local library. You'll receive your very own Space Chase mission folder to get you started. Read six library books (or more!) over the holidays to collect special stickers to add to your folder and collect prizes. Collect all the stickers to find the aliens, save the missing books and complete the Challenge. When you complete the Challenge you will get a certificate, a medal and an invitation to the end of summer Space Chase party.

Volunteering opportunities for young people

Are you aged between 12 to 24 years of age and interested in volunteering in your local library this summer? We are looking for volunteers to

- Help children sign up to the Summer Reading Challenge
- Help children to choose new books and talk to them about what they have read
- Give out incentive items and certificates as children progress with the Challenge
- Help with summer activities such as craft sessions, story-times and coding clubs

For further information, email spacechase@lambeth.gov.uk, or telephone **020 7926 1104**.
