Dear Parents/Guardians

I write to remind you that Year 11 Parents’ evening will be held on Thursday 28th November 2019 from 4.00 – 7.00pm in the Sports Hall. The evening will begin in the theatre, with a talk from the Maths Department, which will be a repeat of the Curriculum Evening held on the 5th November 2019. Subject teachers will be available to speak to from 4:30pm in the Sports Hall. Please arrive by 5:30pm at the very latest - otherwise you will not leave enough time to speak to all the staff you need to meet. Last appointment will be at 6.45pm.

This will be the last opportunity for parents to meet with all subject teachers before student’s final GCSE exams. Your child’s grade report will be available to collect on the evening, it will include their mock exam results. This Parents Evening is a vital opportunity for you to communicate with subject teachers to get advice/guidance on your child’s future.

You are expected to attend, if this is not the case then please email your child’s form tutor with the reason you are unable to join us. You will be expected to make an appointment collect the report and discuss your child’s progress at another time.

Ms Boyle, our independent Careers Adviser will be available for students and parents to speak to throughout the evening.

We will also look forward to seeing you all on the afternoon of Thursday January 30th 2020 for our Careers and Aspiration Event - when we will be welcoming in Universities, Colleges, Employers and Apprenticeship providers to meet and speak to families and students. There will also be a chance to speak to subject staff from faculties about possible A Level Choices just before the closing date for internal Sixth Form Applications on Friday 31st January 2020.

In addition to Parent’s Evening, could I ask that parents/guardian’s remind students that all school rules still apply to them in Year 11, particularly regarding uniform, punctuality and attendance.

Yours sincerely,

Mrs S Dennis
Head of Year 11
